London, 1st September 2020 – Fund Channel announces the appointment of Régis Veillet as its new Head of Business Development. Effective today, Mr Veillet leads the Group's effort on sales, client relationship & services, as well as marketing. He reports to Pierre-Adrien Domon, Chief Executive Officer and former Head of Business Development, and joins Fund Channel's Management Committee.

Régis Veillet, Head of Business Development, Fund Channel

Régis Veillet has more than 20 years of Business Development experience in the Luxembourg fund services industry. He was formerly Head of Business Solutions (since 2016) and Head of Sales & Relationship Management (2002-2016) at Société Générale Securities Services in Luxembourg. He holds a Master of Business Administration (MBA) from the George Washington University.

About Fund Channel

Fund Channel is a regulated Luxembourg based B-to B fund distribution platform created in 2005 and currently operating across a dozen different countries in Europe and Asia.

It has offices in Luxembourg, Switzerland, Singapore and Italy. It has been co-owned by Amundi and BNP Paribas Asset Management since 2009.

At the end of 2019, Fund Channel exceeds € 200 billion assets under intermediation. It was ranked as the 4th largest platform in Europe (source: PlatForum June 2020).

Fund Channel provides a comprehensive range of digitised services related to all facets of fund distribution activities with a view to make fund distribution easier. These services include among others: striking distribution agreements with both distributors and asset managers, facilitating KYC and KYD obligations, communication of funds data and documentation, sales and target market exceptions reporting, enabling contacts between distributors and fund managers, and growing assets under distribution.
