Children, Have You Ever Dreamed of Spending a Day at the Office?

On Saturday, 13 April from 2:00 p.m. to 7:00 p.m., the Crédit Agricole S.A. group will organise a "Family Day" on both of its campuses. Employees working on the "Evergreen" campus in Montrouge (Hauts-de-Seine) and the "SQY Park" campus in Saint-Quentin-en-Yvelines (Yvelines) are invited to participate in this event with their spouses and children. Nearly 6,000 people, including 3,000 children, are expected to be participating in this new edition.

This will be the second edition of the event organised simultaneously at both sites. In 2016, following the arrival of several entities on both campuses, 5,000 people took part in the event.

A Festive Moment of Discovery and Learning

This day will be an opportunity for employees to show their family their work environment and introduce them to the banking business. A tour of the offices and different spaces on the campuses will be provided, as well as educational workshops, to introduce them to banking and their parents' jobs, the manufacturing of currency, the bank and its funny machines, etc.

Fun activities are also planned throughout the day: an egg hunt, a magic show, make-up, an escape game, a photocall, fanfare, a bouncy castle, etc.

A Solidarity Event

Lastly, participants will be able to contribute to several actions of solidarity: an obstacle course for children to raise funds for Necker Hospital and a collection of toys to be repaired or restored by the reintegration association "Rejoué."
