The Crédit Agricole Foundation takes action for the rebuilding of the Cathedral Notre-Dame de Paris

The Crédit Agricole - Pays de France Foundation is becoming involved in the fundraising initiative to rebuild the Cathedral Notre-Dame de Paris.

Sharing the collective emotion generated by the damage to this jewel in our heritage, Crédit Agricole will be closely involved in the measures put in place by the Government.

The Crédit Agricole - Pays de France Foundation has decided to immediately release an initial amount of EUR 5 million to deal with emergency measures, including EUR 1 million provided by Crédit Agricole Ile-de-France.

The Crédit Agricole - Pays de France Foundation acts to preserve and promote the cultural heritage of the regions. For 40 years, it has supported more than 1,400 projects alongside Crédit Agricole's 39 Regional Banks.
