

Press release

Montrouge, 16 June 2023

## **APPOINTMENT**

**The Board of Directors of Crédit Agricole Payment Services (CAPS) has appointed Philippe Marquetty Chief Executive Officer** with effect from 16 June 2023. Philippe Marquetty joins the Management Committee of Crédit Agricole S.A.

### **Biography**

Philippe Marquetty began his career at the General Inspectorate of CIC, before managing several branches. He joined Arthur Andersen in 2000, where he worked in consulting for financial institutions. In 2006, he joined Société Générale, where he was Head of Products, then Head of the Retail Customers Market. In 2012, he entered the payments sector as head of payment products and cash management at the Société Générale group, for France and internationally. In 2018, he set up Société Générale's Payments Department, which he directed thereafter.

Philippe Marquetty is a graduate of the Institut Supérieur de Gestion.

### **About Crédit Agricole Payment Services**

Crédit Agricole Payment Services, the payment subsidiary of Crédit Agricole, oversees the Group's payment strategy, runs the processing platforms, supervises transactions, guarantees the security of transactions and handles banking representation.

Crédit Agricole Payment Services designs and develops innovative service offerings for the Group's banks, combining ease of use, security and meeting the highest market standards. At the heart of the customer relationship, payments are a key consideration in NBI and an essential driver of both retention and acquisition. With a market share of nearly 30%, CA Payment Services is the leader in France and processes over €12 billion in payment transactions every year.
